Sliding Wardrobe Doors

Sliding Wardrobe Doors

- "Easy Grip" full length door stile handles ensure easy operation
- Full length door bumper strips - "silent" closing
- Adjustable bottom rollers
- Concave tracks (85mm wide O/A) installed with "sill packer" - minimizes build up of dirt in the tracks
- Choice of designer colour frames - most popular are White, Birch White, Bright Silver ("Chrome") and Clear Anodised
- Door Panel Material can be mixed - e.g. 1 x Mirrored and 2 x "Vinyl"

Sliding Wardrobe Door Fronts can be manufactured with either:

- Mirrored Doors (Safety Backed)
- CSR Vinyl Coated Gyprock Panels (no twisting or warping)
- White Coat Glass (Safety Backed)
- Toughened Glass Panels -Painted to your selected colour

Correct Measurement

To achieve a great finished product it is imperative that your Sliding Wardrobe Doors be measured correctly. We take particular care with:

Height - we take into account "bowed" ceilings.

Widths - are your walls "bowed" and/or out of plumb.

Number of Doors - what will work best for your needs? Consideration is given to your proposed "internals", overall width.

Frequently Asked Questions

How long will it take to install?
It takes between 3 and 4 weeks to manufacture and install your "custom made" Sliding Wardrobe Door.

What does it Cost?
Wardrobes available in custom sizes with pricing provided upon request. Please note that costs may vary based on size and site conditions.

Do you have to Cut my Ceiling Cornice?
In some cases we will have to cut the cornice to allowing installation of the Head and Wall Jamb(s).

Can I replace hinged Timber Doors with Sliders?
Yes you can!
