

Shower Screens Factsheet

Single & Dual Panel Bath Screens

The **New** Single and Dual Panel Bath Screens are the ideal solution for dual purpose showers and baths.

Their modern, “frameless” style combines good looks with easy entry and exit.

Two models are available:

- Single Panel - Height 1420mm, Width 775mm
- Dual Panel - Height 1420mm, Width 945mm; Wall Panel 550mm, Articulated Panel 390mm

The Components are manufactured from premium quality materials which are guaranteed not to rust or corrode even in most demanding bathroom environments.

We do not use cheap China components.

Product Features and Benefits

- Rise and fall 90 Degree self alignment - automatically aligns and seals with bath edge for optimal splash resistance.
- Easy Entry and Exit
- Two-way “Fold Away” option against the wall when no screen is required (subject to tap & shower rose position).
- Easy Clean.
- Contoured profiles and component design.
- Available in 6mm Clear Toughened Grade A Safety Glass with rounded top edge design.
- Frame colours are Bright Silver (“Chrome”), White, Matt Natural, Almond Cream.

Frequently Asked Questions

How long will it take to install?

It takes between 3 and 4 weeks to manufacture and install your Bath Shower Screen.

What does it Cost?

Single Panel \$675 incl. GST. Dual Panel \$1010 incl. GST (indicative price shown may vary significantly subject to actual size and site conditions). Prices include installation.

How Hard is it to Clean?

The design makes it easy to clean. All glass requires regular cleaning.
